“ Dear Cervantez Family, hello. I was reading the obit for Mr. Cervantez, and decided I would like to send my condolence for his death. I send my sympathies and also a thought that I hope will be of comfort to you, at some time. Please take great care!

The faithful man Job said If an able bodied man dies can he live again? You will call and I myself shall answer you. For the work of your hands you will have a yearning. Job 14:14, 15 This denotes God's earnest longing and desire. Genesis 31:30, Psalm 84:2

Clearly God must keenly anticipate the resurrection.

Can we really believe the resurrection promise? Yes there is no doubt that God and his Son are both willing and able to fulfill it. What does this mean for you? You have the prospect of being reunited with dead loved ones right here on earth but under very different conditions! John 5:28.
