“ Jerry had the greatest dry humor of anyone I have ever known. I have many stories in my head that I will never forget but they would be in the form of a novel should I try to write. I have missed him, Huck, Martha, Alvin and many others since I left Brady. I loved them all and those that have passed, I pray you rest in piece, be held held by the Lord and remember that you were loved  
I give my deepest condolences to those who were close to these two great people.

“ One of the SWEETEST men I have ever known. His hugs would warm you all the way through and his sweet smile would light up the darkest of days. Jerry, Bug and I have cried lots of tears over the last few months but I promise... this Tuesday it was tears of happiness thinking about Jesus taking you home to be with sweet Martha for Christmas. What a Glorious reunion that must have been!
