“ Joe was a great neighbor/ I will always remember his sweet smile and wave each time we spoke in the yard. GOD bless him. He was always looking out for my property when I left town. I will miss him. May GOD be with his family and give them comfort.

“ Joe Reyes was a great person to have around. He lived in the house next door to me with his wife and Cocoa. It saddens me to think of him being gone. I'll miss his wave every time he is in the yard the same time I am out in my yard. I'll always remember his generous nature.
I am hoping that his family and friends have the best memories to fall back on. I remember how it felt when I lost my father, grandparents, and friends in the past and I grief that he is gone.
He will truly be missed by many.
