“ I only knew "Papa Easterwood" for two years but what an impact he had on my two sons but to so many. His legacy is obvious in his son, Shay and his wife Brandi who were wonderful leaders, and mentors as well. May God continue to wrap your arms around you all and walk with you in the days ahead!

“ Even though I didn't know Mike personally, like so many I will forever be grateful that this man crossed my son's path. He was there to mentor and guide Reid through his first years as a coach at Caldwell. Mike and Shay were his family when he was so far from home learning many things. Reid's respect for Old Coach was evident in the way he spoke of him and I couldn't help but love your family too. My sincere condolences to all of you!

“ I have a couple years' worth of great memories of Coach Easterwood. He was a great man, and when he put that big arm around the back of my shoulders & said, "you can do it"...I believed him! There were a few teachers I couldn't have made it without, and he was one of them. I couldn't have asked for a better guide & mentor, as I slogged thru the teen years. Thank you, Coach... Rest in Peace.
