“ My cousin Tricia, as I called her, was an amazingly talented and caring woman. She was always there for her family and friends. She held us together. I have many fun memories of our times together. She made sure we always celebrated special family events. I have missed my talks with her so much. My deepest sympathies to Travis, Steve, and her sisters.

“ I have been blessed to have Pat and Travis Gary as my second family for nearly 40 years. Pat was a loving and selfless Mom and I will certainly miss her. I remember being invited for supper one time and she asked what I'd like to drink. Being a smarty-pants high school kid, I said I'd "have the house wine". Without missing a beat, she produced a bottle (probably cooking wine—she was a great cook) and I wasn't allowed to get up until I finished my glass. Well-played, Pat. We love you. — Ron, Allison, Hunter, Thomas, and Maggie
