Rodney was a lifelong rancher, first working for Jimmy Powell and then owning his land. Everyone knew Rodney was a Jack of all trades; there was nothing he could not do or would not do for his friends and family. His door was always open to those he loved. “ I moved to Menard my Jr. year of high school.
Rodney and Anna had the flower shop at the bottom of the hill from M H S.
I went down and told him if he would sign my pass to get out of last period study hall (I had like 4 of them due to my credits being different than M H S) that I would work for him for FREE!!
He did it!!
What a crazy year we had that year at the flower shop.
Love Rodney and Anna to death. Sorry he has gone to his happy hunting grounds.
Nearly 50 years later I still appreciate him getting me out of my last period study hall.
R I P kind sir.
