“ My papa was a great man, I couldn't have asked for anymore out of a grandfather. He was amazing, taught me alot over the years growing up. He enjoyed spending time with family, he was always telling us grandchildren funny stories from his childhood. Almost every summer as a kid was spent on the farm visiting and working the fence lines, taking care of the livestock, gardening, working on the roof of the house or barn. When deer and bird season came around, we were there hunting every year. I remember one summer, my papa wanted to repaint the barn, so we did it, then papa picked a section on the barn wall for myself, my older brother Justin and cousin Chris to paint our own picture on the barn, I believe that was done in the early to mid 90's. He enjoyed getting up early and making sure all of the animals were taken care of, then he would walk around the property line, he said it was for exercise, but I think he just enjoyed being outdoors and living in the Hill Country. He was always busy doing something on the farm, no matter what it was, he always had something to do from day to day. I remember the trips to Six Flags as a kid, the trips to Fredericksburg to eat and visit all of the little what-not shops or just driving into Brady to eat BBQ or Brownwood to eat at Underwood's or the Section Hand. We would always go drive the back roads looking at the country side. My papa taught me alot over the years, most importantly he taught me how to be a respectful, honest, hard working man and that family means the world to you. There is so much I could talk about and so many memories with him. He touched so many people's lives with his knowledge and will be missed dearly. I love you Papa, thank you for always being here and teaching me the stuff that you did over the years. I know your having a wonderful time working in your garden above us in Heaven and your watching down on every one of us.

“ My condolences to the Hall family during this difficult time. In the Bible, Jehovah God gives us hope. Acts 24:15 says, "there is going to be a resurrection of both the righteous and the unrighteous." Revelation 21:4 says, "and he will wipe out every tear from their eyes and death will be no more." Very soon we will see the fulfillment of these promises here on Earth. We hope you find comfort in God's promises.

Always enjoyed his talents with his beautiful garden. He had a dry wit about him and always loved to pick on me! He will be greatly missed. Love and Hugs to all your Sis/Aunt Jan. God's Blessings
